MORE INFO

EASTLAKE

LIGHTWEIGHT STRETCH JACKET

Eastlake is an insulated jacket designed for those who value minimal weight and a clean, modern design. Crafted with advanced lightweight and stretchy materials, this jacket provides comfortable warmth without the bulk. Its elegant matte finish and streamlined silhouette make it an essential transitional jacket that embraces functionality and fashion. The men's version features a classic cut, visible main zipper, and comfortable elasticated cuffs and hem. The women's version is designed without rib, but with a wind placket covering the main zipper for a more feminine expression.
