PR562 Men's Performance Chino Shorts

Description

Based on our popular chino jeans, these men's chino shorts are styled with a covered zip-fly fastening and button to the waistband. There loops on the waistband to facilitate a belt, two side pockets with rivet detail and two patch pockets to the reverse. Finished with a double turned hem, these chino shorts are a great option for the warmer months and offer a more casual and playful approach to corporate dressing. A touch of elastane through the fabric gives an element of stretch for maximum comfort.
