JN1888 Workwear Softshell Vest

Functional softshell vest with contrasting details

Elastic, durable softshell material with TPU membrane, woven outer fabric, fleece lining
Windproof and water-repellent (8,000 mm water column)
Breathable and water vapour permeable (2,000 g/m²/24h)
Stand-up collar
Elasticated cuffs
Full-length under-panel zip with chin guard
Extended back
2 zipped side pockets
1 contrasting colour zip chest pocket
1 zipped inside pocket
Drawstring for width adjustment at the hem
Reflective element (no protective function/no PPE) at the back
Zips: YKK

Fabric: Outer fabric (320 g/m²): 90% polyester, 10% elastane
Mesh: 100% polyester

Country of origin: Myanmar

Customs tariff number: 62014010

Care instructions:

Features

OEKO-TEX® Standard 100 (15.0.70467)
OEKO-Tex® CONFIDENCE IN TEXTILES STANDARD 100 15.0.70467 HOHENSTEIN HTTI Tested for harmful substances. www.oeko-tex.com/standard100

Softshell
Softshell with TPU membrane consists of three layers. Due to the microporous TPU membrane as middle layer the material is water-proof, wind-proof and breathable at the same time.

Breathable-Permeable to water vapour
Functional textiles must have the ability to transport moisture from the skin to the fabric surface as fast as possible. Permeability shows how much steam in grams can evaporate on a surface of 1 m2 within 24 hours. The higher this figure, the more breathable the textile is.

Water column from 1.500 mm
The ability to withstand water pressure without moisture penetrating into the material is given by the water column (mm). The minimum standard is a water column of 1,500 mm.

Reflex
IQseen is the brand for high reflective materials. With an even distribution around the body this material will make the wearer visible of a distance up to 160 meters. IQseen silver reflective materials fulfill the requirements of the EN 471. Millions of glass beads reflect the light back to its source. The wearer of the product becomes more visible and the motorist has more time to react. This makes the difference! Clearly visible!
